PocketDAB 1500

Rechargeable Personal DAB and FM Radio

From the world leaders in DAB radio comes PocketDAB 1500, the DAB and FM personal radio that looks and feels just as good as it sounds. FM reception means you can listen in areas of reduced DAB coverage or whilst abroad and the in-unit rechargeable ChargePAK gives around 24 hours of uninterrupted DAB listening through class-leading Sennheiser in-ear headphones.

With up to 55 DAB stations available in many areas, plus additional FM-only stations, you'll be spoilt for listening choice. And you're sure to enjoy DAB features like automatic tuning, station selection by name and scrolling text showing track titles, artists' names and sports results. There's even RDS for station name display and scrolling text on FM.

Ideal while travelling to work, at sports events and anywhere where you want to listen without disturbing others, PocketDAB 1500 is compact, uncomplicated and stylish.

If you love radio, PocketDAB 1500 delivers unrivalled listening choice – wherever you are.

Includes class-leading Sennheiser headphones

Rechargeable with 24 hours battery life

Super-lightweight at only 123g

textSCAN to pause and control scrolling text
