LEGATO II

Luxury DAB/FM/CD/SD Micro System with EPG

Available in cherry veneer,
maple veneer and piano black

digital radio

PURE Legato II combines style and function to produce a luxury micro system which looks as remarkable as it sounds.

Available in classic cherry veneer; cool, modern maple veneer; or stunning high-lacquer piano black, Legato II comes as standard with matching speakers featuring custom-wound drive units and expertly tuned second-order crossovers.

Legato II's classic looks hide a raft of advanced functions, many of which are only available from PURE. The Electronic Programme Guide allows you to view seven days radio listings and set multiple timers to record over 30 hours of radio to SD memory card* for playback on Legato II or an SD-compatible portable player.

Intellitext™ automatically stores news headlines, sports results, and more⁺ so the information is available anytime. ReVu™ technology means that interruptions no longer spoil your radio listening – just pause live DAB radio, or rewind if you've missed something.

With its sleek lines, leading-edge hi-fi performance and the warm tactile appeal of wood Legato II stands out a mile from the hi-fi crowd.

Broadcast Electronic Programme Guide ⁺

TECHNICAL SPECIFICATIONS

Specifications: Advanced micro system with full Band III, L-Band and FM reception. Fully compliant with ETS 300 401 and capable of decoding all DAB transmission modes 1-4 up to and including 192 kbps. Supports FM RDS and RadioText.

Frequency ranges: DAB Band III 174-240 MHz, DAB L-Band 1452-1490 MHz and FM 87.5-108 MHz.

Alarms & timers: Up to 20 alarms with station or tone setting. Up to 20 record timers for use with SD card or separate recording device connected via optical digital output.

Amplifier: 30W RMS per channel power output (into 8 Ohms @10% THD+N, A-weighted). Bass and treble tone control.

CD Player: CD-R and CD-RW playback compatible. Support for CD Text. Multiple playback modes (repeat, shuffle, etc.). MP3 playback, including support for ID3 tags and M3U playlists. Slot-loading CD mechanism. Light-pipe shows when CD is playing.

SD card: SD card slot for recording DAB radio to SD card. Red SD access warning LED. Light-pipe shows when MP3s are being played from the SD card.

Speakers: 8 Ohms (nominal) impedance. 30W RMS power handling. Polypropylene mid-bass drivers. Two-way rear ported enclosure. Custom-tuned 2nd order crossovers.

Connectors & Cables: 3.5 mm headphone output on front panel. RF F-connector 75 Ohms for combined DAB/FM aerial connection. 3.5 mm stereo line-level audio input (front) and two dual-phono line-level audio inputs (rear) for auxiliary device connection. Dual phono for stereo analogue line-level or variable-level output. Optical Toslink connector for digital S/PDIF output (IEC958 @ 48 kHz). USB connector for future software upgrades and SD card access. Stereo spring-clip terminals for speakers. Dual phono to dual phono cable. Mains cable with Euro/UK adapter. Bootlace DAB/FM aerial. Two 3m speaker cables.

Remote: Fully featured remote control (batteries included)

Presets: 99 DAB and 24 FM presets.

LCD Display: Six-line graphical display.

Mains power supply: 240V with removeable Euro/UK power socket adapter.

Approvals: Compliant with the EMC and Low Voltage Directives (89/336/EEC and 73/23/EEC).

Dimensions (mm): Main unit 210 (w) x 150 (h) x 240 (d); speaker 160 (w) x 250 (h) x 240 (d).

Support: Our service department is here to make sure you enjoy your PURE product. Call us on +44 (0)1923 277477, e-mail us at support@pure.com or visit our dedicated support area at www.pure.com.

Warranty: Comprehensive two year warranty.
