CHRONOS | iDOCK

DAB/FM Stereo Clock Radio with Dock for iPod

DAB Digital Audio Broadcasting digital Radio R-D-S

From PURE, the world leaders in digital radio, comes a combined DAB digital clock radio and dock for iPod which is perfect for the bedroom, study, or wherever your iPod likes to rest.

Based on the best-selling Chronos CD, Chronos iDock combines all the choice, features and ease of use of DAB digital radio with the convenience of a dock for your iPod. Enjoy your music collection in high-quality stereo sound, recharge your iPod and catch up on the latest music, sports news and debate on DAB.

Chronos iDock has a wealth of bedside alarm functions including four independent alarms, each of which can be set for weekdays only, weekends only or as a one-off. And you can choose to wake to DAB digital radio, FM, a simple tone alarm or even your iPod.

A sleep timer allows you to drop off to your favourite station and the all-important snooze button is easy to find, with an adjustable snooze time for an extra lie-in when you deserve it.

* iPod not included

Listen to your iPod® while it charges

EcoPlus products are designed and manufactured with the environment in mind

Four independent alarms wake you to iPod, tone, DAB or FM

Automatic brightness control

Remote control included
